We weren't disappointed. My husband and I both got Fitzgerald. Large, tasty, freshly made and on a pretzel roll. The menu included fresh sandwiches, soups, salads and... gluten-free items. This café is the best. Explains the long lines. Yes, they were limiting the number inside, and they were practicing social distance. Many waited outside to follow the rules. I highly recommend this café and so it is worth the wait. More We asked them some questions about business and their specialties, read their answers ... What inspired the name? We wanted a name that connected to the area without it, which involved cherries or sleeping bears. Leelanau County was a very important shipping area and there are many shipwrecks in our beautiful backyard. Our two best customer favorites to date are our White Chicken Chili and Fitzgerald sandwich, which is served in our homemade pretzel rolls. Are you doing any special things in winter? This winter we are mixing various hot sandwiches for some different soups and will be testing some new recipes while we're looking at what we'll introduce to glen arbor winterfest chili cook off.
